In Order No. 5514,¹ the Postal Regulatory Commission (Commission or PRC) established Docket No. CP2020-141 to consider the United States Postal Service's (Postal Service) notice filed on May 15, 2020 (Notice) in this matter.² In its Notice, the Postal Service included signature pages to the "Interconnect Remuneration Agreement USPS and Specified Postal Operators" (referred to as the "IRA-USPS Agreement") executed by certain foreign postal operators (FPOs). The Postal Service also stated in its Notice that it will update this docket should additional FPOs accede to the IRA-USPS Agreement.³ On May 26, 2020, June 3, 2020, and June 4, 2020, the Postal Service notified the Commission of additional signatories to the IRA-USPS Agreement.⁴ On

At this time, the Postal Service provides notice to the Commission that one additional FPO has executed the IRA-USPS Agreement. Additionally, in accordance with Annex 2 of the IRA-USPS Agreement, this counterparty FPO also provided new delivery rates that will be effect in 2021.⁷ The Postal Service files as Attachment 2 to this notice this additional FPO-specific rate information for this counterparty FPO. A non-public preface is included with this attachment.

The Postal Service maintains that the identity of the counterparty FPO to the IRA-USPS Agreement, rates, and other sensitive commercial information in Attachments 1 and 2 should remain confidential and incorporates by reference the Application for Non-Public Treatment filed with its Notice in this docket.⁸ Redacted copies, where appropriate, of these attachments are filed publicly, while unredacted versions are filed under seal for the Commission's review.
